

ATTACHMENT III

WORKING AGREEMENT BETWEEN FAMILIESFIRST NETWORK & CHILD-PLACING AGENCY

Pursuant to Florida Administrative Code 65C-15.021, when two agencies share responsibility for service to a child or a family, there shall be a clear delineation of responsibility for each service to be provided and both agencies must assure that service gaps do not occur as a result of shared planning. Service plans in shared cases must be in writing and must be approved by both service providers. As a result of the Administrative Rule, it is hereby agreed that FamiliesFirst Network will assume all case management responsibilities for children placed with the child-placing agency by FamiliesFirst Network. The child-placing agency will be responsible for the care and supervision of children placed in their care. FamiliesFirst Network will provide all documents required by the child-placing agency for placement to occur. The Child Resource Record will be delivered to the receiving placement within 3 days of placement. Any further stipulations must be documented on the service plan and approved by both agencies.

This agreement is entered into by the parties listed below as representatives of their respective agencies.
